

Annamalai  **University**
(Accredited with 'A' Grade by NAAC)

M.A Sociology
(Two-Year) Programme

Regulations & Curriculum
2019-2020

Department of Sociology and Social Work

**REGULATIONS FOR THE TWO-YEAR POST GRADUATE PROGRAMMES UNDER
CHOICE BASED CREDIT SYSTEM (CBCS)**

These Regulations are common to all the students admitted to the Two-Year Master's Programmes in the Faculties of Arts, Science, Indian Languages, Education, Marine Sciences, and Fine Arts from the academic year 2019-2020 onwards.

1. Definitions and Nomenclature

- 1.1 University** refers to Annamalai University.
- 1.2 Department** means any of the academic departments and academic centres at the University.
- 1.3 Discipline** refers to the specialization or branch of knowledge taught and researched in higher education. For example, Botany is a discipline in the Natural Sciences, while Economics is a discipline in Social Sciences.
- 1.4 Programme** encompasses the combination of courses and/or requirements leading to a Degree. For example, M.A., M.Sc.
- 1.5 Course** is an individual subject in a programme. Each course may consist of Lectures/Tutorials/Laboratory work/Seminar/Project work/Experiential learning/Report writing/viva-voce etc. Each course has a course title and is identified by a course code.
- 1.6 Curriculum** encompasses the totality of student experiences that occur during the educational process.
- 1.7 Syllabus** is an academic document that contains the complete information about an academic programme and defines responsibilities and outcomes. This includes course information, course objectives, policies, evaluation, grading, learning resources and course calendar.
- 1.8 Academic Year** refers to the annual period of sessions of the University that comprises two consecutive semesters.
- 1.9 Semester** is a half-year term that lasts for a minimum duration of 90 days. Each academic year is divided into two semesters.
- 1.10 Choice Based Credit System** A mode of learning in higher education that enables a student to have the freedom to select his/her own choice of elective courses across various disciplines for completing the Degree programme.
- 1.11 Core Course** is mandatory and an essential requirement to qualify for the Degree.
- 1.12 Elective Course** is a course that a student can choose from a range of alternatives.
- 1.13 Value-added Courses** are optional courses that complement the students' knowledge and skills and enhance their employability.
- 1.14 Credit** refers to the quantum of course work in terms of number of class hours in a semester required for a programme. The credit value reflects the content and duration of a particular course in the curriculum.
- 1.15 Credit Hour** refers to the number of class hours per week required for a course in a semester. It is used to calculate the credit value of a particular course.

1.16 Programme Outcomes (POs) are statements that describe crucial and essential knowledge, skills and attitudes that students are expected to achieve and can reliably manifest at the end of a programme.

1.17 Programme Specific Outcomes (PSOs) are statements that list what the graduate of a specific programme should be able to do at the end of the programme.

1.18 Learning Objectives also known as Course Objectives are statements that define the expected goal of a course in terms of demonstrable skills or knowledge that will be acquired by a student as a result of instruction.

1.19 Course Outcomes (COs) are statements that describe what students should be able to achieve/demonstrate at the end of a course. They allow follow-up and measurement of learning objectives.

1.20 Grade Point Average (GPA) is the average of the grades acquired in various courses that a student has taken in a semester. The formula for computing GPA is given in section 11.3

1.21 Cumulative Grade Point Average (CGPA) is a measure of overall cumulative performance of a student over all the semesters. The CGPA is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters.

1.22 Letter Grade is an index of the performance of a student in a particular course. Grades are denoted by the letters S, A, B, C, D, E, RA, and W.

2. Programmes Offered and Eligibility Criteria

The various PG Programmes offered by the University and the eligibility criteria for each of these programmes are detailed below.

Faculty of Arts	
Programme	Eligibility
M.A. Sociology M.S.W. Master of Social Work	A Pass in Bachelor's Degree (10+2+3 pattern) in any subject including the Professional courses of this University or an examination of any other University accepted by the Syndicate as equivalent thereto.

2.1 In the case of SC/ST and Differently-abled candidates, a pass is the minimum qualification for all the above Programmes.

3. Reservation Policy

Admission to the various programmes will be strictly based on the reservation policy of the Government of Tamil Nadu.

4. Programme Duration

4.1 The Two-Year Master's Programmes consist of two academic years.

4.2 Each academic year is divided into two semesters, the first being from July to November and the second from December to April.

4.3 Each semester will have 90 working days (18 weeks).

5 Programme Structure

5.1 The Two-Year Master's Programme consists of Core Courses, Elective Courses (Departmental & Interdepartmental), and Project.

5.2 Core courses

5.2.1 These are a set of compulsory courses essential for each programme.

5.2.2 The core courses include both Theory (Core Theory) and Practical (Core Practical) courses.

5.3 Elective courses

5.3.1 **Departmental Electives (DEs)** are the Electives that students can choose from a range of Electives offered within the Department.

5.3.2 **Interdepartmental Electives (IDEs)** are Electives that students can choose from amongst the courses offered by other departments of the same faculty as well as by the departments of other faculties.

5.3.3 Students shall take a combination of both DEs and IDEs.

5.4 Experiential Learning

5.4.1 Experiential learning provides opportunities to students to connect principles of the discipline with real-life situations.

5.4.2 In-plant training/field trips/internships/industrial visits (as applicable) fall under this category.

5.4.3 Experiential learning is categorised as Core.

5.5 Project

5.5.1 Each student shall undertake a Project in the final semester.

5.5.2 The Head of the Department shall assign a Research Supervisor to the student.

5.5.3 The Research Supervisor shall assign a topic for research and monitor the progress of the student periodically.

5.5.4 Students who wish to undertake project work in recognised institutions/industry shall obtain prior permission from the University. The Research Supervisor will be from the host institute, while the Co-Supervisor shall be a faculty in the parent department.

5.6 Value added Courses (VACs)

5.6.1 Students may also opt to take Value added Courses beyond the minimum credits required for award of the Degree. VACs are outside the normal credit paradigm.

5.6.2 These courses impart employable and life skills. VACs are listed in the University website and in the Handbook on Interdepartmental Electives and VACs.

5.6.3 Each VAC carries 2 credits with 30 hours of instruction, of which 60% (18 hours) shall be Theory and 40% (12 hours) Practical.

5.6.4 Classes for a VAC are conducted beyond the regular class hours and preferably in the II and III Semesters.

5.7 Online Courses

5.7.1 The Heads of Departments shall facilitate enrolment of students in Massive Open Online Courses (MOOCs) platform such as SWAYAM to provide academic flexibility and enhance the academic career of students.

5.7.2 Students who successfully complete a course in the MOOCs platform shall be exempted from one elective course of the programme.

5.8 Credit Distribution

The credit distribution is organised as follows:

	Credits
Core Courses	65-75
Elective Courses	15
Project	6-8
Total (Minimum requirement for award of Degree)	90-95*

**Each Department shall fix the minimum required credits for award of the Degree within the prescribed range of 90-95 credits.*

5.9 Credit Assignment

Each course is assigned credits and credit hours on the following basis:

1 Credit is defined as

1 Lecture period of one hour per week over a semester

1 Tutorial period of one hour per week over a semester

1 Practical/Project period of two or three hours (depending on the discipline) per week over a semester.

6 Attendance

- 6.1 Each faculty handling a course shall be responsible for the maintenance of *Attendance and Assessment Record* for candidates who have registered for the course.
- 6.2 The Record shall contain details of the students' attendance, marks obtained in the Continuous Internal Assessment (CIA) Tests, Assignments and Seminars. In addition, the Record shall also contain the organisation of lesson plan of the Course Instructor.
- 6.3 The record shall be submitted to the Head of the Department once a month for monitoring the attendance and syllabus coverage.
- 6.4 At the end of the semester, the record shall be duly signed by the Course Instructor and the Head of the Department and placed in safe custody for any future verification.
- 6.5 The Course Instructor shall intimate to the Head of the Department at least seven calendar days before the last instruction day in the semester about the attendance particulars of all students.
- 6.6 Each student shall have a minimum of 75% attendance in all the courses of the particular semester failing which he or she will not be permitted to write the End-Semester Examination. The student has to redo the semester in the next year.
- 6.7 Relaxation of attendance requirement up to 10% may be granted for valid reasons such as illness, representing the University in extracurricular activities and participation in NCC/NSS/YRC/RRC.

7 Mentor-Mentee System

- 7.1 To help the students in planning their course of study and for general advice on the academic programme, the Head of the Department will attach certain number of students to a member of the faculty who shall function as a Mentor throughout their period of study.
- 7.2 The Mentors will guide their mentees with the curriculum, monitor their progress, and provide intellectual and emotional support.

- 7.3 The Mentors shall also help their mentees to choose appropriate electives and value-added courses, apply for scholarships, undertake projects, prepare for competitive examinations such as NET/SET, GATE etc., attend campus interviews and participate in extracurricular activities.

8 Examinations

- 8.1 The examination system of the University is designed to systematically test the student's progress in class, laboratory and field work through Continuous Internal Assessment (CIA) Tests and End-Semester Examination (ESE).

- 8.2 There will be two CIA Tests and one ESE in each semester.

- 8.3 The Question Papers will be framed to test different levels of learning based on Bloom's taxonomy viz. Knowledge, Comprehension, Application, Analysis, Synthesis and Evaluation/Creativity.

8.4 Continuous Internal Assessment Tests

- 8.4.1 The CIA Tests shall be a combination of a variety of tools such as class tests, assignments, seminars, and viva-voce that would be suitable to the course. This requires an element of openness.

- 8.4.2 The students are to be informed in advance about the assessment procedures.

- 8.4.3 The pattern of question paper will be decided by the respective faculty.

- 8.4.4 CIA Test-I will cover the syllabus of the first two units while CIA Test-II will cover the last three units.

- 8.4.5 CIA Tests will be for two to three hours duration depending on the quantum of syllabus.

- 8.4.6 A student cannot repeat the CIA Test-I and CIA Test-II. However, if for any valid reason, the student is unable to attend the test, the prerogative of arranging a special test lies with the teacher in consultation with the Head of the Department.

8.5 End Semester Examinations (ESE)

- 8.5.1 The ESE for the first/third semester will be conducted in November and for the second/fourth semester in May.

- 8.5.2 A candidate who does not pass the examination in any course(s) of the first, second and third semesters will be permitted to reappear in such course(s) that will be held in April and November in the subsequent semester/year.

- 8.5.3 The ESE will be of three hours duration and will cover the entire syllabus of the course.

9 Evaluation

9.1 Marks Distribution

- 9.1.1. Each course, both Theory and Practical as well as Project/Internship/Field work/In-plant training shall be evaluated for a maximum of 100 marks.

- 9.1.2 For the theory courses, CIA Tests will carry 25% and the ESE 75% of the marks.

9.1.3 For the Practical courses, the CIA Tests will constitute 40% and the ESE 60% of the marks.

9.2. Assessment of CIA Tests

9.2.1 For the CIA Tests, the assessment will be done by the Course Instructor

9.2.2 For the Theory Courses, the break-up of marks shall be as follows:

	Marks
Test-I & Test-II	15
Seminar	05
Assignment	05
Total	25

9.2.3 For the Practical Courses wherever applicable), the break-up of marks shall be as follows:

	Marks
Test-I	15
Test-II	15
Viva-voce and Record	10
Total	40

9.3 Assessment of End-Semester Examinations

9.3.1 Evaluation for the ESE is done by both External and Internal examiners (Double Evaluation).

9.3.2 In case of a discrepancy of more than 10% between the two examiners in awarding marks, third evaluation will be resorted to.

9.4 Assessment of Project/Dissertation

9.4.1 The Project Report/Dissertation shall be submitted as per the guidelines laid down by the University.

9.4.2 The Project Work/Dissertation shall carry a maximum of 100 marks.

9.4.3 CIA for Project will consist of a Review of literature survey, experimentation/field work, attendance etc.

9.4.4 The Project Report evaluation and viva-voce will be conducted by a committee constituted by the Head of the Department.

9.4.5 The Project Evaluation Committee will comprise the Head of the Department, Project Supervisor, and a senior faculty.

9.4.6 The marks shall be distributed as follows:

Continuous Internal Assessment (25 Marks)		End Semester Examination (75 Marks)	
Review-I 10	Review-II: 15	Project / Dissertation Evaluation	Viva-voce
		50	25

9.5 Assessment of Value-added Courses

9.5.1 Assessment of VACs shall be internal.

9.5.2 Two CIA Tests shall be conducted during the semester by the Department(s) offering VAC.

9.5.3 A committee consisting of the Head of the Department, faculty handling the course and a senior faculty member shall monitor the evaluation process.

9.5.4 The grades obtained in VACs will not be included for calculating the GPA.

9.6 Passing Minimum

9.6.1 A student is declared to have passed in each course if he/she secures not less than 40% marks in the ESE and not less than 50% marks in aggregate taking CIA and ESE marks together.

9.6.4 A candidate who has not secured a minimum of 50% of marks in a course (CIA + ESE) shall reappear for the course in the next semester/year.

10. Conferment of the Master's Degree

A candidate who has secured a minimum of 50% marks in all courses prescribed in the programme and earned the minimum required credits shall be considered to have passed the Master's Programme.

11. Marks and Grading

11.1 The performance of students in each course is evaluated in terms Grade Point (GP).

11.2 The sum total performance in each semester is rated by Grade Point Average (GPA) while Cumulative Grade Point Average (CGPA) indicates the Average Grade Point obtained for all the courses completed from the first semester to the current semester.

11.3 The GPA is calculated by the formula

$$GPA = \frac{\sum_{i=1}^n C_i G_i}{\sum_{i=1}^n C_i}$$

where, C_i is the Credit earned for the Course i in any semester;

G_i is the Grade Point obtained by the student for the Course i and

n is the number of Courses passed in that semester.

11.4 CGPA is the Weighted Average Grade Point of all the Courses passed starting from the first semester to the current semester.

$$CGPA = \frac{\sum_{i=1}^m \sum_{j=1}^n C_{ij} G_{ij}}{\sum_{i=1}^m \sum_{j=1}^n C_{ij}}$$

where, C_{ij} is the Credit earned for the Course i in any semester;

G_{ij} is the Grade Point obtained by the student for the Course i

n is the number of Courses passed in that semester..

m is the number of semesters

11.5 Evaluation of the performance of the student will be rated as shown in the Table.

Letter Grade	Grade Points	Marks %
S	10	90 and above
A	9	80-89
B	8	70-79
C	7	60-69
D	6	55-59
E	5	50-54
RA	0	Less than 50
W	0	Withdrawn from the examination

11.6 **Classification of Results.** The successful candidates are classified as follows:

11.6.1 **For First Class with Distinction:** Candidates who have passed all the courses prescribed in the Programme *in the first attempt* with a CGPA of 8.25 or above within the programme duration. Candidates who have withdrawn from the End Semester Examinations are still eligible for First Class with Distinction (*See Section 12 for details*).

11.6.2 For **First Class:** Candidates who have passed all the courses with a CGPA of 6.5 or above.

11.6.3 For **Second Class:** Candidates who have passed all the courses with a CGPA between 5.0 and less than 6.5.

11.6.4 Candidates who obtain highest marks in all examinations at the first appearance alone will be considered for University Rank.

11.7 **Course-Wise Letter Grades**

11.7.1 **The** percentage of marks obtained by a candidate in a course will be indicated in a letter grade.

11.7.2 A student is considered to have completed a course successfully and earned the credits if he/she secures an overall letter grade other than RA.

11.7.3 **A** course successfully completed cannot be repeated for the purpose of improving the Grade Point.

11.7.4 A letter grade RA indicates that the candidate shall reappear for that course. The RA Grade once awarded stays in the grade card of the student and is not deleted even when he/she completes the course successfully later. The grade acquired later by the student will be indicated in the grade sheet of the Odd/Even semester in which the candidate has appeared for clearance of the arrears.

11.7.5 If a student secures RA grade in the Project Work/Field Work/Practical Work/Dissertation, he/she shall improve it and resubmit if it involves only rewriting/ incorporating the clarifications suggested by the evaluators or he/she can re-register and carry out the same in the subsequent semesters for evaluation.

12. **Provision for Withdrawal from the End Semester Examination**

12.1 The letter grade W indicates that a candidate has withdrawn from the examination.

- 12.2** A candidate is permitted to withdraw from appearing in the ESE for one course or courses in **ANY ONE** of the semesters **ONLY** for exigencies deemed valid by the University authorities.
- 12.3** **Permission for withdrawal from the examination shall be granted only once during the entire duration of the programme.**
- 12.3** Application for withdrawal shall be considered **only** if the student has registered for the course(s), and fulfilled the requirements for attendance and CIA tests.
- 12.4** The application for withdrawal shall be made ten days prior to the commencement of the examination and duly approved by the Controller of Examinations. Notwithstanding the mandatory prerequisite of ten days notice, due consideration will be given under extraordinary circumstances.
- 12.5** Withdrawal is **not** granted for arrear examinations of courses in previous semesters and for the final semester examinations.
- 12.6** Candidates who have been granted permission to withdraw from the examination shall reappear for the course(s) when the course(s) are offered next.
- 12.7** Withdrawal shall not be taken into account as an appearance for the examination when considering the eligibility of the candidate to qualify for First Class with Distinction.
- 13. Academic misconduct**
Any action that results in an unfair academic advantage/interference with the functioning of the academic community constitutes academic misconduct. This includes but is not limited to cheating, plagiarism, altering academic documents, fabrication/falsification of data, submitting the work of another student, interfering with other students' work, removing/defacing library or computer resources, stealing other students' notes/assignments, and electronically interfering with other students'/University's intellectual property. Since many of these acts may be committed unintentionally due to lack of awareness, students shall be sensitised on issues of academic integrity and ethics.
- 14. Transitory Regulations**
Wherever there has been a change of syllabi, examinations based on the existing syllabus will be conducted for two consecutive years after implementation of the new syllabus in order to enable the students to clear the arrears. Beyond that, the students will have to take up their examinations in equivalent subjects, as per the new syllabus, on the recommendation of the Head of the Department concerned.
- 15.** *Notwithstanding anything contained in the above pages as Rules and Regulations governing the Two-Year Master's Programmes at Annamalai University, the Syndicate is vested with the powers to revise them from time to time on the recommendations of the Academic Council.*

ANNAMALAI UNIVERSITY
DEPARTMENT OF SOCIOLOGY AND SOCIAL WORK

M.A SOCIOLOGY
(Two Year Programme)

PROGRAMME OBJECTIVES

To introduce the students to the basic social process of society, social institutions and patterns of social behavior and to train the students to understand and to interpret objectively the role of social processes, social institutions and social interactions in their life.

PROGRAMME LEARNING SPECIFIC OBJECTIVES

- PLSO1: Make the students to understand basic concepts and theoretical perspectives in sociology
- PLSO2: Help the students to know the basic concepts are used in sociological explanations of social behavior
- PLSO3: Enable the students to gain familiarity with areas of sociological enquiry
- PLSO4: Enable them to understand social work ethical principles and guide professional practice
- PLSO5: Equip them with knowledge of human behaviour and social environment.

PROGRAMME OUTCOMES

- PO1 Critical thinking
- PO2 Cultivating Cognitive skills required in the job market
- PO3 Effective Communication
- PO4 Familiarity with ICT to thrive in the information age
- PO5 Cultivating aptitude for research
- PO6 Respect for alternate view-points including those conflicting with one's own perspectives
- PO7 Ability to work individually and as members in a team
- PO8 Upholding ethical standards
- PO9 Acting local while thinking global
- PO10 Commitment to gender equality
- PO11 Commitment to Sustainable development
- PO12 Lifelong learning

PROGRAMME SPECIFIC OUTCOMES

- PSO1 Ability to formulate effective communication about sociological concepts
- PSO2: Familiarity with sociological imagination in understanding the relationship between medicine and sociology & population and society
- PSO3: Articulating sociological insights into social aspects of modernization in bringing social change
- PSO4: An awareness of cultural, religious diversity as well as operation of social institutions in rural and urban settings.
- POS5: Ability to interpret and evaluate research methodologies and statistical procedures
- POS6: Interpret and evaluate competing sociological perspectives in understanding religion, law, labour problems and the problems of weaker section

19SOCC101: ADVANCED SOCIOLOGY PRINCIPLES

Learning Objectives

LO1: To offer the students the information about the principles of Sociology,

LO2: To develop in them a Sociological perspective of social change

LO3: To interpret life experience in terms of social facts.

Course Outcomes

Upon completion of the course the students will

CO1. understand society from different sociological perspectives

CO2. develop comprehensive knowledge about social processes and social stratification

CO3. comprehend the elements and functions of culture.

CO4. learn structure and functions of major social institutions.

CO5. develop awareness about formal and informal means of social control.

19SOCC 102: EARLY SOCIOLOGICAL THEORIES

Learning Objectives

- LO1: To provide the students the theoretical insights of early sociological thinkers,
- LO2: To help them analyse and interpret the social scenario around them
- LO3: To familiarize them with the critical analysis of the sociological theories.

Course Outcomes

- Upon completion of the course the students will
- CO1. understand the views of founding fathers of sociology on social statics and dynamics
 - CO2. comprehend the theoretical insights of social evolution, social action and social change
 - CO3. acquire knowledge on Durkheim's social facts, social solidarity and sociology of religion.
 - CO4. understand the relationship between region and economy.
 - CO5. infer the role of class struggle in social change.

Total Credit: 5

Total Hours: 75

Unit-I (10hrs)

Sociological Theory: Meaning & Characteristics – Theory and Research. Auguste Comte – Law of Three Stages – Positivism – Hierarchy of sciences – Social Statics and Dynamics.

Unit-II (15hrs)

Herbert Spencer - Theory of Social Evolution - Organic Analogy - Evolution and Classification of Societies.

Unit-III (15hrs)

Emile Durkheim: Social Facts, Division of Labour, Anomie and Suicide – Social Solidarity, Sociology of Religion,

Unit-IV (17hrs)

Max Weber - Ideal Types - Social Action –Authority – Bureaucracy - Religion and Economy.

Unit-V (18hrs)

Karl Marx – Historical and Dialectical Materialism – Theory of Class and Class Struggle – Alienation - Social Change.

19SOCC103: RURAL AND URBAN SOCIOLOGY

Learning Objectives

- LO1 To make the students understand the rural and urban social structure and the importance of rural development
- LO2 To enable the students to understand the push and pull factors and theories of migration.
- LO3 To help them identify the major problems and prospects of rural and urban society.

Course Outcomes

- Upon completion of this course students will
- CO1.: understand the characteristics of rural and urban society and their existing problems.
- CO2.: well versed with rural and urban issues and the relevant development programmes by Indian government.
- CO3. interpret existing rural social problems.
- CO4. have knowledge of theories of urbanization and urbanism.
- CO5. aware of the role of urban reconstruction in town planning.

Total Credit: 5

Total Hours: 75

Unit-I (14hrs)

Rural Sociology and Rural Social Institutions – Definition, Origin, Scope, Importance of Rural Sociology in India.

Characteristics of Rural Society; Family, Caste, Economy, Education, Religion, Recreation and Government.

Unit: II (16hrs)

Rural Social Problem - Wages Indebtedness - Unemployment – Poverty – Health and Sanitation, Education, Housing, Untouchability, Alcoholism and Dowry

Unit: III (18hrs)

Rural Development Programmes - Panchayat Raj, Rural Co-operative, Role of Nationalised Banks and NGO in Rural Development – Community Development Programme (CDP) – Integrated Rural Development Programme (IRDP) – Mahatma Gandhi National Rural Emplacement Guarantee Act (MGNREGA) and Self-Help Groups.

Unit: IV (17hrs)

Urban Sociology and theories: Urbanization – Urbanism -Industrialization, Urban Ecology, Community;

Ecological Theories: The Concentric Zone, Sector and Multiple Nuclei theories.

Unit: V (10hrs)

Urban issues: Migration - Slums – Urban Crime – Town Planning: Growth of Cities - Urban Reconstruction.

19SOCC104: INDIAN SOCIAL INSTITUTIONS

Learning Objectives

- LO1 To enable the students to understand the origin, growth and changes in the Indian social institutions over the years.
- LO2 To comprehend the Hindu view of life
- LO3 To analyse constitutional provisions for the protection of life, property and dignity of individuals

Course Outcomes

Upon completion of this course students will

- CO1. Understand the structure and functions of social institutions and the changes and reforms taken place in them so far.
- CO2. will evaluate the impact of modernization on social change in India.
- CO3. apprehend the philosophy and functions of reform movements.
- CO4. infer constitutional provisions for the life and dignity of individuals
- CO5. conceive the role of modernization in emerging new India.

Total Credit: 4

Total Hours: 70

Unit-I (13hrs)

Hinduism – Hindu view of life – Varna – Dharma – Ashramas and Purusharthars.
The Hindu Caste System – Origin, Special Features – Its Persistence – Changing trends in the Caste System.

Unit: II (16hrs)

The Hindu Marriage – Forms and Functions – Dowry – Widowhood – Divorce – Marriage among minorities in India.
Family in India – Hindu Joint Family - Changes in the Structure and Functions of Family in India.
The Status and Position of women in India.

Unit: III (16hrs)

The philosophy and functions of reform movements – The Brahma Samaj - The Aryasamaj – Theosophical Society and Ramakrishna Movement.
The impact of Modern Education, Industrialization and Urbanization on Indian Institutions.

Unit: IV (15hrs)

Fundamental Social Legislations – Untouchability Offences Act – Hindu Marriage and Divorce Acts.
Constitutional provisions for the protection of life, Property and dignity of individuals.

Unit: V (10hrs)

Social change in India – Economic changes - Planned Economic development.
Cultural changes – Sanskritization and Westernization – The little, great and multiple tradition. Modernization – Emerging New India

INTER DEPARTMENTAL ELECTIVE (IDE)
19SOCX105: INTRODUCTION TO SOCIOLOGY (Refer Annexure-II)

19SOCC 201: Modern Sociological Theories

Learning Objectives

- LO1: To provide the students with the theoretical and methodological issues that have shaped the sociological thinking among the practitioners of sociology today.
- LO2: To help the students to understand the theoretical relevance
- LO3: To develop in students an analytical utility of the contemporary theorists in understanding the structure and change of the society.

Course Outcomes

Upon completion of the course the students will

- CO1. understand the various perspectives of modern sociological thinkers
- CO2. comprehend the basic premises of social and cultural dynamics of society
- CO3. perceive the concepts of social stratification, social mobility, and logical and non-logical actions.
- CO4. comprehend the ideas of symbolic interactionism.
- CO5. contemplate the role of phenomenology and ethnomethodology in understanding human behavior.

Total Credit: 5

Total Hours: 75

Unit – I (13hrs)

Talcott Parsons - Action approach, General systems theory, Evolutionary universals, Social change.

Unit – II (18hrs)

Robert K.Merton: Functional analysis, Theory of reference groups, anomie – Theory and Research.

Lewis Coser: Origins of social conflict – Consequences and social functions of conflict.

Unit – III (18hrs)

Pitrim Sorokin – Theory of social and cultural dynamics – Social stratification and social mobility.

Vilfredo Pareto – Social system – Logical and non-logical action – Circulation of elites.

Unit – IV (13hrs)

Blumer – Symbolic Interactionism – Interpretation- Three basic premises– Methodology.

Unit – V (13hrs)

Alfred Schutz – Phenomenology. Harold Garfinkel – Ethnomethodology.

19SOCC202: RESEARCH METHODOLOGY

Learning Objectives

- LO1:** To introduce the students to provide exposure to various appropriate research techniques.
- LO2:** To help them to build up on the basic assumptions in adopting methodologies for different research themes.
- LO3:** To provide the students the knowledge of research in a scientific manner.

Course Outcomes

Upon completion of this course, the students will

- CO1. understand the skills of scientific research and to enable them to do social research by know the various methods of data collection and their sources.
- CO2. acquire the skills of operating computer and make use them in social research
- CO3. interpret the difference between various types of research designs and their usage in social research.
- CO4. analyse different methods and sources of data collection.
- CO5. know how to write a research report in an effective way.

Total Credit: 5

Total Hours: 75

Unit-I (18hrs)

Science: Definition – Characteristics – Differences between Physical and Social Sciences.

Scientific Method: Elements – Characteristics – Major steps.

Hypothesis: Types – Sources – Characteristics of Usable Hypothesis.

Unit: II (14hrs)

Social Survey and Social Research: Definition – Objectives – Differences between Social Research and Survey

Unit: III (16hrs)

Research Design: Exploratory – Descriptive – Diagnostic – Experimental.

Unit: IV (15hrs)

Methods of Data Collection: Census Method – Sampling Method and its various types.

Primary Sources of Data Collection: Schedule – Questionnaire – Interview Guide – Observation Secondary Sources; Research Report: Case Study

Unit: V (12hrs)

Introduction to Computer – Advantages of Computer usage in Social Sciences.

19SOCC203: STATISTICAL METHODS

Learning Objectives

- LO1 To know about the basic principles of statistics.
- LO2 To understand about the application of statistical tools in social research.
- LO3 To know about the scope and function of statistical methods

Course Outcomes

Upon completion of this course, the students will

- CO1. acquire the basic knowledge about the statistics.
- CO2. understand the statistical techniques for research which will help in building social planning and reconstruction of society
- CO3. know about diagrammatic and graphic presentation of data.
- CO4. understand the difference measures of Central Tendency and Measures of Dispersion.
- CO5. comprehend the meaningful uses of Correlations, Regression and Chi- Square Test.

Total Credit: 4

Total Hours: 70

Unit-I (16hrs)

Meaning of Statistics - Statistical Methods – Scope of Statistics, Functions and Limitations.

Classification and Tabulation of Data – Diagrammatic and Graphic Presentation of Data.

Unit: II (15hrs)

Measures of Central Tendency: Mean – Median – Mode – Definitions and Properties.

Unit: III (12hrs)

Measures of Dispersion: Range – Quartile Deviation – Mean Deviation – Standard Deviation – Relative Measures of Dispersion.

Unit: IV (15hrs)

Correlation: Scatter Diagram – Karl Pearson's Co-efficient of Correlation – Rank Method – Concurrent Deviant Method. Regression – Meaningful uses of Regression Lines.

Unit: V (12hrs)

Measures of Association: Yule's Co-efficient of Association – Chi Square Test

19SOCC204: WOMEN IN SOCIETY

Learning Objectives

- LO1: To provide the students an overview of the problems of women.
- LO2: To appreciate the various welfare measures of Indian women.
- LO3: To provide special focus on violence against women

Course Outcomes

Upon completion of the course the students will

- CO1. understand the problems of women in contemporary society.
- CO2. get an overview about the various welfare measures and legislations related to welfare of Indian women
- CO3. infer the changing role and status of women in the Indian context.
- CO4. acquire knowledge on Women's movements in India.
- CO5. attain familiarity on the role of Women's Organizations in preventing violence against women.

Total Credit: 5

Total Hours: 75

Unit-I (12hrs)

Women in Indian Society – A historical Perspective – Changing Role and Status of Women in India. Women's movement with special reference to India.

Unit: II (15hrs)

Problems of Women: Education – Employment – Female Infanticide – Immoral Traffic in Women and Girls – Problems of Unmarried Mothers – Deserted and Divorced women.

Unit: III (15hrs)

Special Focus on Violence Against Women: Rape – Battering – Dowry Death – Sexual Abuse and Victimization.

Unit: IV (17hrs)

Women Welfare Programmes in India: Governmental and Voluntary Organizations – Women's Welfare Departments – Central and State Social Welfare Board – Women's Organizations.

Unit: V (16hrs)

Legislations Related to Women – State Policy with Related to Women. Role of Family Court: Pre-Marital – Marital Counselling – Counselling for Maternity / Family Planning

DEPARTMENTAL ELECTIVE- I
19SOCE 215: CRIME AND SOCIETY (REFER ANNEXTURE-I)
19SOCC301: POPULATION AND SOCIETY

Learning Objectives

- LO1 To understand the influence of demographic factors on social phenomena
LO2 To evaluate the trends of population control in terms of social needs.
LO3 To comprehend the role of population policies in mitigating population problems.

Course Outcomes

Upon completion of this course students will

- CO1. understand the causes of population growth through relevant theory and practices.
CO2. acquire the knowledge of various problems faced by the society due to population growth.
CO3. be exposed to impact of population on social development.
CO4. acquire knowledge on social factors which affect fertility, mortality and migration.
CO5. gain knowledge on organizational approaches towards population policies.

Total Credit: 5

Total Hours: 75

Unit-I (14hrs)

Population Studies - Meaning, Scope, Subject Matter, Relationship to Sociology. Population and Society, Size, structure, distribution and characteristics. Population and Social Development.

Unit-II (17hrs)

Population Growth and Theories of Population - Levels and Trends of Population in the World and in India. Factors Causing Rapid Population Growth. Theories of Population, Malthusian Theory, Optimum Theory, Demographic Transition Theory and Sociological Theories.

Unit-III (18hrs)

Fertility - Importance, Levels and trends of fertility in India. Davis Model on the factors affecting fertility. Mortality - Importance, levels and trends of mortality in India, infant Mortality. Migration - Factors influencing migration, theories of migration, migration streams. Basic measures of fertility and mortality. Social factors affecting fertility, mortality and migration.

Unit-IV (13hrs)

Population Problems - Food, Housing, Education, Health and Medical services, unemployment, and environmental problems.

Unit-V (13hrs)

Population Policy - India's Population Policy, Family Welfare Programs, Objectives, Organisational Approaches, Targets and Achievements and impact. Family and Reproductive Health.

19SOCC302: INDUSTRIAL SOCIOLOGY AND LABOUR PROBLEMS

Learning Objectives

- LO1 To make the students aware of the major labour problems in industry.
- LO2 To Enable them understand labour legislation in labour welfare.
- LO3 To equip the students with the knowledge of the bureaucratic model of industrial organization.

Course Outcomes

- Upon completion of this course students will
- CO1. acquire the components of industrial sociology and bureaucratic models of industrial organization.
 - CO2. understand the major labour problems and solving the problems by participating in management
 - CO3. be motivated to understand the Modern Factory System of Production.
 - CO4. familiarize themselves with the aspect of Trade Unionism.
 - CO5. obtain the knowledge about the importance of prevention and settlement of industrial disputes.

Total Credit: 5

Total Hours: 75

Unit-I (15hrs)

Industrial Sociology - Nature and scope, Its relation to Industrial Psychology, Industrial Management and Labour Economics.

Industry and Social Theory - The general theory and middle range theories - Taylorism.

Unit-II (13hrs)

The Modern Factory System of production and its special features.
Automation and Mechanization - Their effects.

Unit-III (17hrs)

The Bureaucratic Model of Industrial Organization.

The Middle sections of the Industrial Bureaucracy. The Specialists - Office workers, The foreman.

Trade unionism - Unionism as an instrument of power, collective bargaining, ILO and its role.

Unit-IV (16hrs)

Prevention and Settlement of Industrial Disputes -Industrial disputes legislation in India - Conciliation, arbitration, and adjudication.

Works Committee Grievance Procedure and Workers participation, in Management.

Unit-V (14hrs)

Major Labour Problems - Wages, hours of work, conditions of service, health and hygiene, education. Industrial Safety. Women and child labour, Job satisfaction.

Text Books

19SOCC303: SOCIOLOGY OF DEVELOPMENT AND MODERNIZATION

Learning Objectives

- LO1: To present a sociological analysis to process of modernization and development
- LO2: To help the students to have a holistic understanding of the concepts and theories of modernization
- LO3: To motivate students to learn the dominant strategies of modernizing societies.

Course Outcomes

- Upon completion of this course students will
- CO1: understand a sociological analysis to the process of modernization and development.
- CO2: understand of the theories and models of modernization and the dominate strategies of the modernizing societies.
- CO3 learn measures and patterns of modernization.
- CO4 get acquaintance with various sources of modernization.
- CO5 understand the recent trends in modernization and development.

Total **5**

Total Hours: 75

Credit:

Unit-I **(14hrs)**

Basic Concepts: Social change, modernisation, development - Meaning and characteristics; overlapping ideas.

Unit-II **(17hrs)**

Measures of Modernisation - Patterns of modernisation, sources of modernization, colonialism and imperialism.

Unit-III **(16hrs)**

Theories of Modernisation - Diffusionist theories, nationalist theories, world systems theory, dependency theories

Unit-IV **(14hrs)**

Models of Development - Capitalist model, socialist model: Soviet and Chinese, Japanese model.

Unit-V **(14hrs)**

Recent Trends in Modernisation & Development – Post modernism, globalisation, sustainable development.

19SOCV304: FIELD WORK AND REPORT

Total Credit: 4

Total Hours: 70

Objectives of Field Work:

The fieldwork programme has been designed to achieve the following objectives:

1. To help students understand the socio-economic, cultural and political milieu and develop capacity for critical examination of causative and maintenance factors of social problems and their consequences.
2. To provide students with an opportunity to apply theories in practical situations for problem solving in social conditions.
3. To help students identify, plan and implement social work interventions through the application of the methods and theories of sociology and to assess their impact on different client systems in various field settings.
4. To help students appreciate the role of sociology in empowering people and societies and in facilitating social change, ensuring human rights and social justice.
5. To help students develop skills and appropriate personality qualities required for professional extension practice.
6. To provide opportunities to accept challenges and respond to them.
7. To understand the nature of sociology in different specializations

General Objectives in an agency setting:

1. To understand the agency as a system –governance, philosophy, objectives, structures and management of services/ programmes
2. To develop the ability to involve the client system in the problem-solving process, utilizing skills of sociology, including research
3. To enable to acquire knowledge and practice skills related to social work methods at the individual, group and community level in different fields
4. To develop documentation skills
5. To develop skills in identifying and utilizing community resources, both at Government and private levels
6. To develop the ability to work as a team
7. To reinforce the belief in the inherent strength of the people to meet their needs and resolve their problems
8. To enable to make conscious application of professional values, ethics and principles

9. To develop an understanding and skills in working with the professionals (Medicine, Law, accountancy etc.) While working with the agency of placement, the students should
 - a. Develop beginning perceptions about agency functioning and identify congruence or gaps between organizational stances or programs and client's service needs (e.g. restrictive intake policies, inadequate office hours, poor referral system for resources).
 - b. Initiate learning about how outside regulations, organizations and funding effect delivery of services.
 - c. Show beginning ability to identify problems/issues in organizational terms.
 - d. Demonstrate beginning initiative and involvement in efforts to influence agency processes on behalf of client's needs (e.g. at least, bringing situation to attention of someone who may be receptive and able to be influential).
 - e. Develop beginning confidence to participate and contribute to team effort, e.g. represent own discipline, develop some credibility, present own thinking, receptive to others' ideas.

The report should contain the following contents:

1. Write the report after careful observation and collection of information from the agency. An introduction about the agency, name, location, address, year of establishment, registration details, constitution of board/Trust, office bearers etc.
2. Vision and Mission of the organization, Organizational structure, resources, network details, Funds / budget details, projects undertaken
3. General profile i.e. Details about the inmates of the organization
4. Major activities of the organization, future plans
5. Extension activities in the organization for the benefit of the inmates and the locality with the prior permission of the agency.
6. Role of the sociologist in the organization
7. Skills learnt by the Trainee during the field work training
8. Copies of various forms, returns, hand bills, posters, photographs etc. of the agency may be appended at the end of the report.

DEPARTMENTAL ELECTIVE- II
19S0CE 315: SOCIOLOGY OF DISASTER MANAGEMENT (REFER ANNEURE-I)

19SOCC401: MEDICAL SOCIOLOGY

Learning Objectives

- LO1 To enable the students to become familiar with the Functional approach to deviance
- LO2 The help the student to have knowledge about development of epidemiological measures
- LO3 To clearly understand the role of medical social service in hospitals and community setting.

Course Outcomes

- Upon completion of this course students will
- CO1. understand that relationship between social factors and stress.
- CO2. comprehend the implementation of various health schemes at community level.
- CO3. infer interaction between mind, body and society.
- CO4. gain knowledge on the evolution of hospital as a social institution.
- CO5. get familiarity with the health policy of government of India.

Total Credit: 4

Total Hours: 70

Unit-I (13hrs)

Relationship between Medicine and Sociology - Social Epidemiology- Development of Epidemiological Measures - Age, sex, race and social class.

Unit-II (14hrs)

The Interaction of Mind, Body and Society - Stress, Psycho-physiological medicine, social factors and stress. Socio demographic variables in the process of seeking medical care.

Unit-III (13hrs)

The Sick-role-illness as Deviance - Functional approach to deviance, the sick role, Labeling theory.

Unit-IV (15hrs)

The physician in a changing society - The professionalization and socialization of the physician, the physician and social changes. Nurses and other health practitioners - Nursing - Past and present, future trends-other health practitioners. The Hospital as a social institution - Its organization, health care - a right or privilege.

Unit-V (15hrs)

Medical social service in Hospitals - Medical Social Work in pediatrics, skin and STD. Psychiatry. Tuberculosis. The state and Health - Health policy of Government of India. Drug and drug industry, adulteration, drug control.

19SOCC402: SOCIAL PROBLEMS

Learning Objectives

- LO1: To enable the students to understand the basic concepts of social problems
- LO2: To learn basic causes for crime and delinquency and analyse the issues like alcoholism and drug addiction.
- LO3: To acquire the knowledge about poverty and unemployment and the extent of beggary in India.

Course Outcomes

- Upon completion of this course, the students will
- CO1. apply sociological perspectives and use their sociological imagination in understanding the causes and consequences of social problems.
- CO2. able to locate themselves within social contexts to reflect on the processes that shape and address social problems.
- CO3. identify the preventive strategies of alcoholism and drug addiction.
- CO4. acquire knowledge on causes, consequences and prevention of AIDS.
- CO5. know the various methods of rehabilitation related to vulnerable groups in India.

Total Credit: 5

Total Hours: 75

Unit-I (13hrs)

Social Problem - Definition and meaning of social organization and disorganization — Causes of social disorganization, Individual disorganization – Causes, stages - Mental Illness - Types, causes, suicide - Theories of Suicide.

Unit-II (14hrs)

Crime and Delinquency - Crime - Causes, biological and environmental factors - Juvenile Delinquency - Causes and Prevention of Adult offenders.

Unit-III (13hrs)

Alcoholism and Drug Addiction - Causes, consequences and prevention strategies.

Unit-IV (17hrs)

Prostitution — Causes, types, prostitution and personal disorganization - Prostitution and Family Disorganization - Suppression of Immoral Traffic Act of 1956. AIDS - Causes, extent, consequences and prevention - Awareness perspectives and problems.

Unit-V (18hrs)

Poverty, Unemployment and Beggary - Poverty Absolute and Relative causes - Unemployment - Types! Causes - Effects of unemployment.
Extent of unemployment in India - Beggary, Causes -Types, techniques, extent of beggary in India, methods of rehabilitation - Relevance of U.N.

19SOCV403: PROJECT AND VIVA-VOCE

Total Credit: 8

Total Hours: 100

Learning Objectives

- LO1 To enable the students to identify the research problem to be addressed
- LO2 To provide knowledge about methods to be adopted for scientific research
- LO3 To equip the students with the knowledge to analyse the data and report writing.

Course Outcomes

Upon completion of this course students will

- CO1. identify the social problems to be researched.
- CO2. gain knowledge regarding application of research methodology in doing research
- CO3. able to do research independently
- CO4. equip themselves with the knowledge of data collection techniques.
- CO5. know how to apply research findings in their real-life situations.

19SOCC404: ENVIRONMENTAL SOCIOLOGY

Learning Objectives

- LO1 To provide knowledge about environmental degradation
- LO2 To provide awareness about planning for sustainable environment
- LO3 To enrich knowledge of environmental justice, policy and action.

Course Outcomes

Upon completion of this course, the students will

- CO1. gain knowledge about the impact of environment on society.
- CO2. acquire awareness about degradation of environmental conditions due to socio cultural practices.
- CO3. grasp the causes and effects of urbanization.
- CO4. equip themselves with the knowledge of alternative source of energy for pollution control.
- CO5. analyse optimistic and pessimistic assessment of environmental sustainability.

Total Credit: 4

Total Hours: 70

Unit-I (12hrs)

Introduction – Environment –Natural environment- Socio cultural environment- the main issues.

Unit-II (13hrs)

Effects of Environment and its degradation – Basic needs in Rural Environment – Basic needs in Urban Environment and Health – Socio Economic Implications of environmental degradation.

Unit-III (16hrs)

Major Environmental Problems. Natural disasters – Effects of earthquakes – Effects of energy consumption – Pollution-air, water, noise – Causes and effects – Urbanization. Military activity and population growth – cause and effects.

Unit-IV (15hrs)

Planning for Sustainable – Environment – strategies for afforestation. Water, conservation, soil conservation, sustainable agriculture – use of alternative sources of energy and pollution control strategies.

Unit-V (14hrs)

Environmental sustainability – Environmental policy to achieve sustainable development – Role of voluntary organizations for environmental sustainability – Optimistic and pessimistic assessment of environmental sustainability.

**INTER DEPARTMENTAL ELECTIVE (IDE):
19SOCX205: SOCIOLOGY OF MASS COMMUNICATION**

Learning Objectives

- LO1 To make the students acquire knowledge in the field of communication
- LO2 To understand the role of mass communication in creating a new world
- LO3 To enable the students to understand the effects of mass communication on society

Course Outcomes

Upon completion of this course, the students will

- CO1. acquire knowledge about mass media and its various forms such as print, radio, television media in modern society
- CO2. Understand the technological development in the mass communication process.
- CO3. learn the various theories of mass communication.
- CO4. interpret the role of mass media in national integration.
- CO5. able to understand the utility of mass communication in cultural diffusion.

Total Credit: 3

Total Hours: 65

Unit-I (14hrs)

Concepts and Functions of Communication – Definition and Meaning of communication, Communication process, models, scope and functions of communication.

Unit-II (12hrs)

Communication Channels - Definition, dimension, classification, nature and selection of communication channels.

Unit-III (12hrs)

Mass Communication - Definition, scope characteristics and functions of mass communication Theories of mass communication — Hypodermic needle theory, Bullet theory and Stimulus Response theory.

Unit-IV (12hrs)

Mass Media – Origin and growth of print media, electronic media. Mass media and mass culture - Folk art.

Unit-V (15hrs)

Effects of Mass Communication on Society and culture - Mass media and national integration, mass media and social development. Diffusion of new ideas and practices - Cultural norms and diffusion.
